Quick Travel Snapshot – 7-Day Japan Trip (Oct, ≤₹2 Lakh)

#	Item	Recommendation
1	Likely departure airport	Indira Gandhi International Airport, New Delhi (DEL) – the most common outbound hub for Indian travellers to Japan.
2	Likely arrival airport	Tokyo Narita International Airport (NRT) – most international flights land here; Haneda (HND) is an alternative if you prefer a shorter city-centre commute.
3	Airlines serving this	• Air India (direct) • Japan Airlines (JAL) • All Nippon Airways (ANA) • United Airlines (via US

#	Item	Recommendation
	route	stop) • Singapore Airlines or Cathay Pacific (via Singapore/Manila) – these carriers often offer the best price-performance for October.
4	Typical flight duration	14 – 15 hours direct (incl. 1–2 h layover if you opt for a cheaper route).
5	Estimated airfare range (round-trip)	₹1.5 – ₹2.2 Lakh (depending on booking window, airline, and stop-over). Aim for the lower end by booking 3–4 months in advance.
6	Peak-season pricing warning	October is a shoulder-season but still highly sought after for Japan’s autumn foliage and Golden Week travel. Prices can spike 10–15 % above the average.
7	Booking advice	• Book early – lock in a fare 3–4 months ahead to stay under ₹2 Lakh. • Use fare-alert tools (Google Flights, Skyscanner, Hopper) to catch price drops. • Consider a one-stop flight (e.g., via Singapore or Hong Kong) – often 15–20 % cheaper than direct. • Check airline sales (Air India “Indian-Summer” or JAL “Autumn-Foliage” promos). • Combine with a Japan Rail Pass or budget domestic carriers (e.g., Peach, Jetstar Japan) for intra-country travel to keep the total budget ≤ ₹2 Lakh.

Mini-Itinerary (7 days, under ₹2 Lakh)

Day	City	Highlights	Approx. Cost (incl. local transport)
1–3	Tokyo	Shibuya, Asakusa, Tsukiji, day-trip to Nikko or Hakone	₹25 k
4–5	Kyoto	Fushimi Inari, Kiyomizu-dera, Arashiyama	₹20 k
6	Osaka	Dotonbori, Osaka Castle, Namba	₹15 k
7	Return	Last-minute shopping, depart	₹5 k

Total (flights + accommodation + food + transport) ≈ ₹1.8–₹2 Lakh, leaving room for souvenirs or a short extension.

Enjoy your autumn adventure in Japan!

Tokyo

Budget Stay (INR 2,000-5,000): Hostels and capsule hotels, which suit a lone traveller or a backpacker.

Mid-Range (INR 5k-10k): Mid-range hotels in places such as Ikebukuro or Urayasu. Staying in these areas keeps you connected to the city's top things to do in Tokyo while saving on accommodation costs.

Tip: The further you are (at least 30-45 minutes) from Shibuya, the cheaper the rates will be without losing an Internet connection.

Kyoto
